Reg. 17 Rider Conduct and Protection of the Environment

Participants of the FIM Motocamp are motorcyclist ambassadors for their country and are expected to consider other road users in accordance with Art. 3 of the General Part of the CTG.

Recommendations to Road Users:

- a) Individual motorcyclists should develop riding habits to ensure full integration with other types of road users.
- b) Ride safely and avoid aggressive and competitive riding.
- c) Save petrol and reduce pollution by avoiding unnecessary idling of engines.
- d) Ride politely and limit noise pollution by using your horn only in an emergency.
- e) Noise annoyance. Use a standard or another quiet exhaust system and keep audio systems at a low level.
- f) Use only routes which are open to motorcyclists.
- g) Ride like a professional by riding at a quiet and unobtrusive pace when riding in groups.
- h) Respect nature by not travelling on paths which risk being damaged beyond a point of natural recovery.
- i) Protect wildlife and its natural habitat by riding intelligently.
- j) Ensure that your used oil, tyres, batteries and other recyclable items are properly recycled.
- k) Encourage a rational use of fuel and space economy by using motorcycles instead of driving automobiles
- l) Remember that our cities and our roads are not circuits
